~~The History of Loneliness | The New Yorker~~

A History of Loneliness by John Boyne is a stunning and unflinching novel of the scandal that came to light in the early twenty-first century surrounding the Roman Catholic Church in Ireland. This travesty culminated in the trials of many priests accused of sexual abuse over the years, largely due to the complicity of the hierarchy of the Dublin diocese in

Although loneliness has always been part of human existence, it has a relatively short history as a subject of psychological investigation. As developed by the psychiatrist John Bowlby during the second half of the 20th century, attachment theory emphasizes the importance of a strong emotional bond between the infant and the caregiver; it stands as a forerunner to contemporary theories of loneliness.
