When Ana was born, one of those souls vanished, and no one knows why. When Ana travels to the capital city of Heart, its citizens treat her as a nosoul, suspicious and afraid of what her presence means. When dragons and sylph attack the city, is Ana to blame? Ana needs to uncover the mistake that gave her someone else's life, but will her quest threaten the peace of Heart and destroy the promise of reincarnation for all?

"A fully realized fantasy world complete with dragons, treachery, and flawed characters discovering their courage. I couldn't put it down!" —C. J. Redwine, New York Times bestselling author of The Shadow Queen From the New York Times bestselling co-author of My Lady Jane comes a smoldering new fantasy trilogy perfect for fans of Victoria Aveyard and Kristin Cashore about a girl condemned for defending dragons and the inner fire that may be her only chance of escape. Mira has always been a symbol of hope for the Fallen Isles, perfect and beautiful—or at least that's how she's forced to appear. But when she uncovers a dangerous secret, Mira is betrayed by those closest to her and sentenced to the deadliest prison in the Fallen Isles. Except Mira is over being a pawn. Fighting to survive against outer threats and inner demons of mental illness, Mira must find her inner fire and the scorching truth about her own endangered magic—before her very world collapses. And that's all before she ignites.

But Wil has a secret—one that could change everything. Although magic has been illegal for a century, she knows her ability could help her save her kingdom. But magic creates wrath, and the deadly stuff is moving closer and destroying the land. And if the vigilante Black Knife catches her using magic, she may disappear like all the others. . . .

This breathtaking and lyrical novella captures a thrilling and momentous decision for a young man and the people he loves. Told from the perspective of Sam, the sensitive musician from Jodi Meadows's Incarnate series, lifetimes before he meets Ana, Phoenix Overture is a story of love and loss, strength and courage, and facing the consequences of the hardest of decisions. Phoenix Overture offers existing fans a deeper insight into a favorite character and the intriguing history of Heart, while new readers will find a stunning introduction to this rich world and the romantic, captivating fantasy of the Incarnate series. In the wilds around the Community where Sam and his family have taken shelter, life is dangerous. Dragons, trolls, centaurs, and other monsters fill the world. The word comes from the council that everyone must leave and journey to rescue their leader, Janan, who has been abducted by a mysterious new enemy in the north. Faced with overwhelming threats that bring death and destruction, Sam and the others reach the northern Range and, reunited with Janan, are given an unimaginable opportunity. Although it would give them the privilege to live and learn and love without fear, the choice is not without its own dire consequences. And lives—though not theirs—are sure to be lost. Just how much are they willing to give up to save themselves? Epic Reads Impulse is a digital imprint with new releases each month.

Kingdoms will fall, gods will die, and hearts will be broken in this sprawling new fantasy from New York Times bestselling author Jodi Meadows. In the middle of nothingness is the Island of Salvation. Reality bends easily here. Villages disappear. Forests burn forever. Pockets of inconsistent time are everywhere, their boundaries strung with yellow ribbon. And the three kingdoms of Salvation have been at war for a thousand years. But the greatest threat is the Malice, an incursion from the demon plane slowly tearing its way through the world's weakest seams. Seams that—once split—will lead to the total unraveling of night and day, light and dark, life and death. Not that the human world takes much interest. Of more concern is the upcoming marriage of Rune Hightower, Prince of Caberwill, and Johanne Fortuin, Princess of Embria—the serpent bride, a girl of famous cunning—which offers a possible end to the ancient conflict. But Rune has noticed the growing darkness, and he is determined to summon mankind's only defense: Nightreder, the hammer of the gods, an immortal warrior more weapon than girl. There is only one problem. The last time she was summoned, she slaughtered every royal in Salvation, and no one knows why. Will she save humanity from the Malice... or plunge it deeper into the fires of eternal war?

As entire islands rise up from the sea, causing earthquakes, tidal waves, and utter devastation, Mira must use her growing connection with dragons to track a legendary treasure that could stop the destruction—the bones of the first dragon. But finding the treasure means traveling into the land of her greatest enemies. What will it cost Mira to save the dragons, the people she loves, and the only home she's ever known from total ruin? And what will be left of Mira once the final cataclysm is over?
