Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Covers the Cambridge IGCSE syllabus (0455) and the Cambridge O Level syllabus (2281), first examination from 2020. This series helps students understand economic theory, terminology and principles. By applying tools of economic analysis, undertaking calculations and writing longer responses, students learn how to look at the world like an economist. The workbook matches the Cambridge IGCSE and O Level Economics syllabuses and provides students with additional concepts to strengthen their understanding, as well as the quality of their answers. The answers to the workbook questions are in the teacher's resource.
