Readers can sink their teeth in the first two books of this dark and sexy new series, as they follow Jason Freeman, who moves with his family from Michigan to Malibu. When he runs with the in-crowd of his posh new high school, Jason can't ignore that some strange things are going on. Original.

When Jason's friend, Tyler, shows up at Devere Heights, Jason is at first excited, but quickly realizes that Tyler is running from some kind of crisis and, without knowing about the town's secret, he unknowingly places himself in mortal danger.

The A-list bites. Jason Freeman has gotten used to the fact that beneath its glamorous surface, DeVere Heights is full of unexpected secrets. And vampires. Then just when he thinks he's golden, he's attacked. With a crossbow. At first the attention Jason gets from his crush, Sienna, makes the wound almost worthwhile -- especially after she breaks up with Brad. But the crossbow-wielding lunatic isn't finished, and his next victim is found dead with a bolt through the heart. As tensions rise at DeVere High, suspicions about the attacker point to pretty much anyone. There's something cold and hard in Brad's eyes-the look of a killer? Nah...

In Vampire Beach: Ritual and Legacy, Jason and Sienna love each other despite their differences--Jason being a mortal and Sienna being a vampire. But when vampire hunters come to town threatening Sienna's life, he realizes just how mortal he is. Jason will have to decide if he's truly willing to do whatever it takes to be with Sienna forever.

When Jason Freeman moves to Malibu, he thinks his life is picture-perfect, until a girl washes up dead the morning after a party with suspicious-looking bite marks.

"Sienna's dark hair was glossier than he'd ever seen it, her skin was clear and creamy, almost luminous, and her lips glowed a deep rose red that he didn't think came from lipstick. She was stunning, spectacular, impossibly beautiful! Jason realized he was staring. 'What is it?' he asked. 'Sienna, you can tell me anything.' And then Sienna smiled, slowly revealing a pair of very white, very sharp, and very real fangs. Jason has just moved to Malibu - home to rich kids and fabulous parties. He's flattered to be included - and very flattered by the interest of the stunning Sienna. But Sienna and her friends hide a dark secret ... and Jason is risking his life by falling for her."--Back cover.

High stakes: For once, things for Jason and his vampire girlfriend, Sienna, are right on track: great friends, great life, no great drama. Then Sienna's older sister, Paige, comes home unexpectedly from college in Paris. . . Paige is sexy, sophisticated and full of wild ideas - such as spending spring break in Las Vegas. Jason soon finds that life in Malibu may be intense, but life in Vegas is insane. And when Paige's controlling ex-boyfriend turns up, things quickly go from daring to dangerous. Now Jason and Sienna are caught right in the middle of it all.

The Mastermind is back - and he's hot on detective Alex Cross's trail. His cold, taunting threats leave Alex angry and deeply concerned for his family's safety. Two joggers have been found dead in San Francisco - bitten and hung by their feet to drain the blood. Further murders in California, and then on the East Coast as well, completely baffle Alex and the FBI. Is this the work of a cult, or role players, or even of modern-day vampires? Desperate to stop the deaths, Alex teams up with Jamilla Hughes, a savvy woman detective, and the FBI's Kyle Craig. But Alex has never been closer to defeat, or in greater danger. He must survive a deadly confrontation - only to learn at last the awful secret of the Mastermind.

Jason lives in hyper-cool Malibu and hangs out with the cool kids. He thinks he's pretty lucky to be considered a friend of the gorgeous Sienna. But only Jason and his friend know the secret behind Sienna's IT crowd - that they are partial to the taste of blood. . . Jason is blissfully happy with Sienna, the beautiful, intoxicating vampire he has loved ever since moving to Malibu and entering her wealthy, cliquey, party life. But their happiness is under threat as Sienna's parents don't believe a human-vampire relationship can work and forbid Sienna from seeing Jason. As they try to get around the ban with secret meetings, Jason's vampire aunt Bianca throws a new problem into the mix. Jason has to make a decision that could change his life for ever. There are exciting new possibilities right at his fingertips, but what hidden dangers lurk beneath the glamorous surface?

THE A-LIST BITES. Jason Freeman is stoked when his family relocates to exclusive DeVere Heights, Malibu. The in-crowd at his posh new high school is surprisingly friendly -- soon Jason's hitting all the best parties. He even meets the token hot-but-unattainable girl. Determined to enjoy his almost postcard-perfect new life, Jason tries hard to ignore the many strange things going down in DeVere Heights. But then a girl washes up dead the morning after one off-the-hook party -- and with no explanation but a suspicious-looking bite mark. Now Jason has to admit that what you don't want to know can hurt you.
