In recent years, a renewed focus on agriculture has been evident in policy and development agendas for the African continent, yet little knowledge has been generated on the interlinkages of production, agroindustry and markets, as well as the potentials and challenges for developing these. This publication analyzes the challenges, the potential and opportunities of African agribusiness in the current period of dramatic changes in global agro-industrial markets, and builds a case for agribusiness development as a path to Africa's prosperity. Written by international experts, from agribusiness practitioners, to academic experts and UN technical agencies, this volume fills what the United Nations Industrial Development Organization perceived as a significant gap in knowledge concerning these issues.

physical and spiritual life."—Publishers Weekly "A sacred bathing of the body ultimately becomes a sacred bathing of the mind, spirit, and soul, which unearths a mindfulness of self-nourishment that we might then gift as kindness to others as we go about our day."—Cathie Borrie, author of *The Long Hello* "I highly recommend this beautiful book of spiritual bathing for inner joy and healing."—Raven Keyes, author of *The Healing Power of Reiki* and *The Healing Light of Angels*

This concise and well-organised grammar of classical Arabic, here translated from its original German into English for the first time, provides students of Arabic with a highly useful reference tool. While brief enough to be used with efficiency, the book is also rich in content and thorough in its coverage.

Beginning- or advanced-level students working on classical texts and styles will find this grammar quick to use, reliable, and up-to-date. More than just a translation into English, this edition of Wolfdietrich Fischer's *Grammar of Classical Arabic* includes many revisions and additions provided by Rodgers. In particular, the chapter on syntax offers numerous new text examples and other improvements. The bibliography has been updated to include significant recent contributions to the field of classical Arabic grammar and linguistics. Translated by Jonathan Rodgers with attention to both accuracy and readability, this book is an accessible reference tool that every student of classical Arabic will want to have on hand.

This book offers an explanation of the specific ways that
