Written in 1997, Barbara Ann Kipfer's *The Wish List* is a tool that uses creative prompts to assess one's priorities for a life well-spent--with a few 1990's throwbacks to liven up the experience. While we no longer need dream of a voice-activated VCR, the discerning reader can peruse the thousands of proposed wishes and check off those items that resonate with them, and, hopefully, take the necessary steps to make these things happen.
