With a mission to make life better, Uniden is creating easy-to-use, affordable, cutting-edge technology you trust.

---

## Uniden — Uniden America Corporation

To reset the phone, users disconnect the battery from the handset, the phone cord from the wall jack and the adapter from the wall outlet. After 30 minutes of waiting, they reconnect the battery, cord and adapter. Finally, they re-register the handset by placing it on the base.

---

What Are Some Typical Problems With Uniden Cordless Phones?  
Different phone jacks pull in different signal strength. The Uniden may not be getting enough through the jack the to pull up the caller ID information. The signal strength needed for each phone is different. — Unplug all of the phones except the Uniden. — Move the Uniden phone to a phone jack where the caller ID is currently
