Well-organized reference to the theme of justice for liturgies, homilies, prayer services, and discussion related to the bishops' Catholic Campaign for Human Development.

Easy to use hot work permits log to monitor and keep records of all your hot work permits.Product information: Introductory page on the first page to personalize log. Index Pages to keep track of Log. Date Permit No Contractor Address Phone No Email LocationWork Description Permit Issue Date Permit Expiry Date Equipment(s) To Be Used Work Start Date Work Finish Date Notes. Extra notes pages for quick access write-in and other information. 8.5" x 11" (20.32cm x 25.4cm). Thick white acid free paper of 110 pages to reduce ink bleed-through. Glossy paperback cover. Great for professional and personal use. Available in different cover options. For more related log like Construction logs, Payroll Management, Real Estate Customer Management Log Book, To Do List, Events Planner Calendar, Appointment Planner and other essential logbooks or planners in different sizes, kindly visit our amazon author page; Jason Journals to find the rest of our selection. Thank you.

US oil production has been plunging downward since 1986. The result is that gasoline prices have been going up. If you do not like high gasoline prices, this book is for you.

Robert Franklin Bunting was a Princeton-educated chaplain who served in the Confederate 8th Texas Cavalry, popularly known as Terry's Texas Rangers, which saw combat at Shiloh, Murfreesboro, and Chickamauga. The manuscript consists primarily of ninety-five letters that Bunting wrote to a variety of Texas newspapers. Designed primarily to describe the unit's movements and actions in detail, the letters also strove to maintain morale as the Confederates' prospects dimmed. Unlike most Civil War soldiers, Bunting wrote with the explicit purpose of publishing his correspondence, seeking to influence congregations of civilians on the home front just as he had done when he lectured them from the pulpit before the Civil War. Bunting's letters cover military actions in great detail, yet they were also like sermons, filled with inspiring rhetoric that turned fallen soldiers into Christian martyrs, Yankees into godless abolitionist hordes, and Southern women into innocent defenders of home and hearth. As such, the public nature of Bunting's writings gives the reader an exceptional opportunity to see how Confederates constructed the ideal of a Southern soldier. Taken as a whole, the letters provide a glimpse into a little-understood aspect of Civil War historiography: the war in which religion influenced the ideology of soldiers and civilians. They also provide a rare first-person perspective on the role of the chaplains in the Confederate Army. Finally, Bunting's letters display an example of successful wartime propaganda: the consistent optimism maintained in the letters doubtless encouraged soldiers in the ill-fated Army of the Tennessee to remain in the ranks for four long years.

Growing Up Without a Place to Call Home... Mattie has never known what it means to have a safe and loving family. She's had to rely on herself from an early age, as she and her siblings grew up with an alcoholic father and stepfather who were verbally and physically abusive, as well as neglectful. Finally, when Mattie is fourteen, the cycle of hurt and abandonment at the hands of her biological family comes to an end...only to throw her into a sea of new challenges as she experiences the wild ride of the foster system. Through four years and five foster homes that push her to the limit, Mattie develops inner strength that startles even the girl gang at her new school, when Mattie attracts the interest of a handsome boy who has already been claimed by the school bully. But Mattie doesn't give up easily-she can't afford to, moving around as much as she does. She goes through experiences unimaginable to most of us, including a nightmarish foster mother with a subservient husband and a mentally ill son; a cold and unloving home where she is valued only for the state-mandated money she brings to the foster family; and a bizarre but oddly endearing woman who treats Mattie as if she is a small child...and who has a secret hidden behind "the forbidden green door." Finally, Mattie is placed with a warm and loving family who nurture and cherish her, and allow her to blossom emotionally. But will she be ready to face life on her own when she turns 18 and has to leave them? And will she be able to embark on a journey of forgiveness and reconciliation with her family of origin? Vivid, realistic, compassionate, and compelling, Mattie Celi is the haunting and inspiring odyssey of a young woman determined to flourish despite the odds against her.

This book is inspired by my experiences in life on my quest to discover the truth about why we suffer and how to overcome it with devotion, the most endearing and important quality hidden deep within the soul. Some poems express my troubling experiences which I hope will touch and help many people who may encounter similar experiences and some are more devotional which I hope will inspire spiritual aspirants on the path to true enlightenment, I dedicate this book to Srila Prabhupada and Srimate Vrinda Devi who I consider my guiding lights through my often troubling path through life, thank you and love The Lord.

Essentially the last of the bare-knuckle heavyweight champions, John L. Sullivan was instrumental in the acceptance of gloved fighting. His charisma and popular appeal during this transitional period contributed greatly to making boxing a nationally popular, "legitimate" sport. Sullivan became boxing's first superstar and arguably the first of any sport. From his first match in the late 1870s through his final championship fight in 1892, this biography contains a thoroughly researched, detailed accounting of John L. Sullivan's boxing career. With special attention to the 1880s, the decade during which Sullivan came to prominence, it follows Sullivan's skill development and discusses his opponents and fights in detail, providing various viewpoints of a single event. Beginning with a discussion of early boxing practices, the sport itself is placed within sociological, legal and historical contexts including anti-prize fighting laws and the so-called "color line." A complete record of Sullivan's career is also included.

This book is a perfect gift for any woman named Carrie. "Romeo and Carrie" is a modified version of William Shakespeare's "Romeo and Juliet". In this version, the main character is not Juliet, but Carrie. The book has a beautiful cover and font. There are 10 pictures inside the book. We also have versions with other names. "Two households, both alike in dignity, In fair Verona, where we lay our scene, From ancient grudge break to new mutiny, Where civil blood makes civil hands unclean. From forth the fatal loins of these two foes A pair of star-cross'd lovers take their life; Whose misadventur'd piteous overthrows Doth with their death bury their parents' strife. The fearful passage of their death-mark'd love, And the continuance of their parents' rage, Which, but their children's end, nought could remove, Is now the two hours' traffic of our stage; The which, if you with patient ears attend, What here shall miss, our toil shall strive to mend. This is a story about Romeo and Carrie."

This new revised edition of this popular text provides an accurate, balanced and readable history of Korea from 1910 to the present day.

Over the past decade, Korean popular culture has become a global phenomenon. The "Korean Wave" of music, film, television, sports, and cuisine generates significant revenues and cultural pride in South Korea. The Korean Popular Culture Reader provides a timely and essential foundation for the study of "K-pop," relating the contemporary cultural landscape to its historical roots. The essays in this collection reveal the intimate connections of Korean popular culture, or hallyu, to the peninsula's colonial and postcolonial histories, to the nationalist projects of the military dictatorship, and to the neoliberalism of twenty-first-century South Korea. Combining translations of seminal essays by Korean scholars on topics ranging from sports to colonial-era serial fiction with new work by scholars based in fields including literary studies, film and media studies, ethnomusicology, and art history, this collection expertly navigates the social and political dynamics that have shaped Korean cultural production over the past century. Contributors. Jung-hwan Cheon, Michelle Cho, Youngmin Choe, Steven Chung, Katarzyna J. Cwiertka, Stephen Epstein, Olga Fedorenko, Kelly Y. Jeong, Rachael Miyung Joo, Inkyu Kang, Kyu Hyun Kim, Kyung Hyun Kim, Pil Ho Kim, Boduerae Kwon, Regina Yung Lee, Sohl Lee, Jessica Likens, Roald Maliangkay, Youngju Ryu, Hyunjoon Shin, Min-Jung Son, James Turnbull, Travis Workman
